

Remodeling Your Home Involves a Lot of Different Choices. Deciding Which Roofer to Use Was An Easy One –

Excel Understands What Great Customer Service Means

- *No Payment until the job is complete and the customer is happy.*
- *Every customer is provided a written contract specifying all costs.*
- *You are assigned a Project Manager who stays with your job from start to finish.*
- *And Excel provides an In-house Quality Control Inspector who checks every job.*

“When I get calls about roofing problems, Jay Bretz at Excel Roofing is one of the experts I call to check it out!” – Tom Martino
